

Share Trading Window IS OPEN

The Share Trading window is now open to Flight Centre Employees. It opened on today's FCTG ASX release and will remain open for 30 days, unless closed earlier.

Current Shareholder Entitlement Offer

Eligible employees (if you currently hold FCTG shares) will be made an Entitlement offer via communication from Computershare on 15 April stating your entitlement under this arrangement.

All you need to do when you receive your letter/email is opt in and pay for your entitlement by the stated date. These details will be provided.

Buying And Selling Outside The Share Plan

Employees cannot purchase shares through the Computershare registry that holds shares on their behalf in the Plan...members are only able to sell through the Computershare platform (once shares are vested).

If you want to buy extra shares outside the plan, you will need a share trading platform account.

If you're looking for a trading platform [Canstar](#) have a good comparison site.

Joining The Employee Share Plan

The Employee Share Plan opens for new applications every May and November for 2 weeks. In these plan intake periods, employees are able to sign up to monthly post-tax contributions to the Plan which purchases shares for them every month with the bonus of an additional share credit for every 2 shares held under the plan after 2 years.

All the relevant documentation for the plan, comes out with the notice for each intake window.

Opting Out

Employee Share Plan members can opt out of the plan at any time. Members can only opt out of the plan completely, and cannot simply adjust the monthly contribution. A form needs to be completed and sent to FlightCentreSharePlans@computershare.com.au. Employees who opt out do have the opportunity to opt back into the plan when the next plan intake opens.

Things You Need To Know

Other than purchases through the Employee Share Plan, employees can only buy or sell shares inside the trading windows, published on Flight Deck, usually for 30 days following an FCTG ASX announcement. The FCTG Share Trading policy restricts employees from trading in FCTG shares outside of trading windows in order to protect them from potential infringement of Insider Trading Laws.
